to Neal, me

Mr. Almazon,

As we explained to you before we sought the last extension, scheduling is up to the Court and we cannot unilaterally extend the deadline for your response to our motion.

We will not seek a further extension on your behalf, but we will not object if you seek a one-day extension from the Court. If you seek a longer extension, we reserve the right to object.

Judge Castel's contact information and Rules of Practice can be found here:
